VISHNU K

Front End Developer
9744172369 / vvishnu898@gmail.com / https://itismevishnu.netlify.app

SUMMARY

Highly skilled and motivated front-end developer with over four years of experience in building responsive and user-friendly websites. Proficient in HTML, CSS, Tailwind CSS, JavaScript, React, Django, and various frameworks. Experienced in Objective C and iOS application development.

WORK EXPERIENCE

iOS DEVELOPER | APR 2021 – PRESENT

Market Simplified India Limited

- Developed and maintained iOS applications using Objective C, resulting in more than 10 successful releases to the App Store.
- Troubleshot and resolved application issues in a timely manner.
- Worked with designers to ensure a consistent and effective user experience.
- Collaborated with cross-functional teams to deliver successful projects on time and on budget.

EDUCATION

GOVT. ENGINEERING COLLEGE SREEKRISHNAPURAM - JUN 2016 - JUN 2020

Bachelor of Technology in Information Technology

- Graduated with a 7.65 CGPA.
- Qualified the Graduate Aptitude Test in Engineering (GATE) 2022, a national-level test for engineering graduates, with an AIR 934.

PROJECTS

NOT A BOOK - FINANCE TRACKING APPLICATION - https://notabook.netlify.app/

- Developed a user-friendly finance tracking application using React and Firebase, with features including recent transactions, category-wise transactions, monthly spending, and budgets with the help of charts.
- Implemented responsive design and utilized Tailwind CSS and Framer Motion to improve the user experience.
- Utilized Firebase Firestore Database for data storage and retrieval, ensuring secure and efficient access to user data.

ARCANA - CROSSWORD PUZZLE GAME - https://arcana.onrender.com/

- Developed a multiplayer crossword puzzle game using Django and Google OAuth2 for authentication.
- Designed and implemented the game mechanics, including crossword puzzle generation, real-time updates, and leaderboard functionality.
- Implemented animations using the GSAP library to enhance the user experience.

PORTFOLIO - MY PORTFOLIO WEBSITE - https://itismevishnu.netlify.app/

- Designed and developed a responsive portfolio website using React, HTML, and Tailwind CSS.
- Utilized Framer Motion library for animations to create an engaging and interactive user experience.
- Implemented contact forms and integrated email services for communication.

SKILLS

- Proficient in HTML, CSS, Tailwind CSS, JavaScript, React, Django, and Objective C.
- 2 years of experience.
